

Melia azedarach 'Caroline'

LOW FRUITING WHITE CEDAR TREE

Melia azedarach 'Caroline', is a variety of the White Cedar tree and is native to Australia. This tree is either deciduous or semi-evergreen depending on growing location and is characterised by a rounded crown. It features compound leaves with dark green leaflets that have serrated margins.

 Deciduous

 Round

10 x 8m

Excellent for use as a specimen shade tree and for streetscapes or avenues which has been grafted to ensure a consistent and uniform habit.

Prefers most soils in a sunny position. However, it is adaptable and tolerant of a wide range of conditions and soil types.
