

Tree
Nyssa sylvatica 'ST1 Red Rush'

RED RUSH NYSSA, TUPELO TREE

Description	This is a special selection of <i>Nyssa</i> exclusive to Speciality Trees. It is a deciduous ornamental tree with a round form and glossy green foliage throughout the growing months. It has a slightly pendulous habit and dense canopy. It's a striking tree that produces outstanding autumn colour. We expect this in maturity to be smaller in size to straight <i>Nyssa sylvatica</i> .
Foliage	 Deciduous
Form	 Round
Mature Size	10-15m x 6-8m
Uses	We are super excited about this tree's performance to date and its remarkable foliage colour and would recommend it for larger gardens and open spaces where its form and colour can be fully appreciated.
Position & Soil	Now in commercial production, you will find this tree to be reliable and hardy and suitable for most soils. Likes a full sun or part-shade position.
Features	 Medium  Deciduous  Round  Feature Foliage  Shade Tree  Specimen
Pot sizes in production	<ul style="list-style-type: none"> • 40cm/27L (1.2-1.5m)
