### **PACKHAM'S TRIUMPH FRUITING PEAR TREE**

<b>Tree</b>	
<b>Description</b>	This is an Australian heirloom pear bred in Molong, NSW, a small town in the central west of NSW and dates back to the late 1800's. It is a great eating pear with smooth, green to yellow skin and juicy, white flesh which is sweet and rich in flavour. Fragrant, white flowers are borne in spring and the fruit ripens from late Autumn to early Winter. This variety will benefit from cross pollination, rewarding the grower with an abundance of beautiful, sweet dessert pears.
<b>Foliage</b>	 Deciduous
