

Eucalyptus risdonii

RISDON PEPPERMINT GUM TREE

This tree is distinctly blue-green in colour, with a smooth trunk. It has attractive pointed deep blue-green leaves, 6 -10 cm long and masses of short-stalked cream flowers which appear in late spring and summer.

Juvenile growth often used in floristry. Good for streetscapes and avenue planting. Great feature tree due to its interesting foliage and flowers.

Best in full sun to partial shade. Can tolerate cold weather and periods of drought. Good as a windbreak.
