

Melaleuca lanceolata

MOONAH TREE

This tree has narrow green leaves and beautiful white to cream flower spikes in summer. It has a great bushy habit but is also great for shade. The wood is dense and dark brown in colour.

Can be used in coastal areas. Also good for small gardens, gardens with a native theme and parks. Can be used as a windbreak, shade, ornamental tree.

Prefers well drained soil in a full sun position. Can tolerate most soil conditions.
